

OptimalAgTM

SOLUTIONS

Unlock Untapped Yield Potential

Every acre holds untapped yield potential. But when a crop underperforms, it's not just lost yield, it's lost opportunity and lost revenue.

OptimalAg Solutions partners with leading agribusinesses to help growers reach full yield potential by combining trusted agronomy with financial confidence.

The Partnership
Your Growers Deserve

You!

Unlock Full Yield Potential

When you partner with OptimalAg Solutions, we create a solution built with your agronomy to drive measurable results across your business.

OptimalAg Solutions empowers agribusinesses to:

- ✓ Sell More Acres
- ✓ Increase Revenue per Acre
- ✓ Reduce Grower Financial Hesitation
- ✓ Differentiate Agronomic Offers
- ✓ Accelerate Sales and Full-Program Adoption
- ✓ Build Long-Term Grower Loyalty

Used individually, each component delivers a strategic advantage.

Together, they create a fully integrated system that empowers agribusinesses to validate, optimize, and guarantee yields.

Powerful Alone, Unmatched Together.

Yield Labs[™]

- ✓ Verifies seed and crop input performance
- ✓ Conducts multi-environment, replicated trials
- ✓ Delivers independent, statistically validated results

Yield Optimizer[™]

- ✓ Ranks varieties by yield potential
- ✓ Compares favorite brands
- ✓ Provides field specific recommendations
- ✓ Informs confident seed decisions

Yield Guarantee[™]

- ✓ Increases agronomic adoption
- ✓ Reduces financial risk
- ✓ Guarantees yield
- ✓ Compensates if yield targets aren't met
- ✓ Builds trust and loyalty

Ready to Deliver More Than Recommendations?

Back your agronomy with data, precision, and a **yield guarantee** your growers can count on.
